Sixteen hundred and four acres of farm land sold through this agency since Dec. 1, or in the past four months, besides some 500 acres more already under contract to deed and which will probably be deeded within a few days. The property already conveyed com-prices 12 farms, of which seven sold for more than \$6,000.00 each, and the total aggregates \$66,300.00. Shows a demand for farm property, does it not? We believe in the next four months more property will be sold as the weather and road conditions will improve. Therefore, we advise those contemplating the purchase of a farm to act soon. These will never be offered again for the price for which they can now be bought.
